

**I-376 S/L 1 mile E/O I-79**

This unobstructed 75' tall illuminated static billboard display captures westbound traffic on I-376 coming from the Pittsburgh area and heading directly towards I-79. This stretch of I-376 is one of the busiest routes in Pittsburgh because of traffic merging from I-79 and other nearby roads. At 740 sq. ft., this display is one of the largest and most unique sizes of any billboard in the entire Pittsburgh region.
