I-376 STATIC DISPLAY

I-376 S/L 1 Mile E/O I-79

This high profile illuminated static bulletin captures eastbound traffic on I-376 coming from Carnegie and heading directly into the Pittsburgh metro area. This stretch of I-376 is one of the busiest routes in Pittsburgh because of traffic merging from I-79 and other nearby roads.

- 740 Square Feet
- 10% Larger Than Traditional Bulletins
- 24/7 Constant Coverage
