I-64 STATIC DISPLAY

I-64 N/L 3,000' East of Victory Blvd.

This righthand read static display at 1200 sq ft. is one of the largest billboards in the region and captures westbound traffic traveling on I-64 heading towards Williamsburg, VA. Hampton, VA is a short drive to the east and the Newport News/Williamsburg International Airport exit is just five minutes straight ahead from this billboard face. This stretch of Interstate 64 is one of the most heavily traveled freeways in Virginia.
