I-277 STATIC DISPLAY

I-277 .3 miles East of I-76

This static billboard sits along I-277 in Akron, facing eastbound traffic. It targets drivers heading into central Akron, Firestone Park, and the I-77/I-76 interchange—one of the region's busiest junctions. With strong exposure to commuters, local traffic, and drivers bound for downtown or the University of Akron, this unit offers prime visibility in a high-traffic, urban corridor.
